General Information

Completion of the Application Forms

Help us to do a good job processing your application. Type or print legibly all application documents. Please read the instructions and give careful thought before answering the questions in the application. Remember, you are certifying that the information is truthful and correct. Make sure all documents are originals or a certified or notarized true copy of original documents. Provide all documents requested in the application; incomplete applications will delay processing. Application fees must accompany applications before initial review can begin.

Each question in the application must be answered. Attach separate sheets of paper, labeled with your name and signed by you, for any question for which you provided a "yes" response.

Failure to answer all questions completely and accurately, or the omission or falsification of information may be cause for denial of your application or disciplinary action if the board subsequently issues you a license.

The application cannot be altered, changed, modified or added to unless approved by the Board.

Confidentiality

The contents of licensing files are generally considered public records. If you believe that the additional information you are attaching to explain a "yes" answer should be considered confidential, state that in the attachment. A request for confidentiality may or may not be granted.

Documents sent by Fax or Email

Fax copies or documents sent via email are not accepted for documentation or verification in our licensing process. If copy of document is sent via fax or email, the original must be send via U.S. Postal Service to the Board's office.

Foreign Language Documents

All documents submitted in a foreign language shall be accompanied by an accurate translation in English. Each translated document shall bear the affidavit of the translator certifying that the translator is competent in both the language of the document and the English language and that the translation is a true and complete translation of the foreign language original, and sworn to before a notary public. Translation of any document relative to a person's application shall be at the expense of the applicant.

Personal Interviews

Applicants for licensure may be required to have a personal interview either with an individual board member or with the full board. Should an interview be required, you will be notified and an interview scheduled. An interview may be required if, during the processing of your application, a question arises for which the board determines it requires additional information from you.

Processing Time

In general, average processing time for a permanent license is 4 – 6 weeks. Application processing time depends to a large extent on the response time from other organizations, our workload and the volume of applications being processed.

License Renewal

All licenses issued by the Board expired every two years following its issuance or renewal and becomes invalid after that date. Notification for license renewal is mailed or emailed to licensees at least sixty (60) days before the expiration date. You are required by regulations to keep your current address on file with the Board. There is a late fee of \$25.00 charged for every 1st of the month after the expiration date. Licenses, which have expired for failure to renew on or before the date required may be reinstated within one year of the expiration date. Each licensee whose license has expired and lapsed for more than one year by failure to renew must file a new application, meet present day requirements for licensure, and receive board approval.

License Denial

If for any reason you are denied the license you are applying for, you are entitled to a hearing pursuant to the Commonwealth Administrative Procedures Act, 1 CMC § 9108-15.

Abandonment of Application

Your application shall be considered abandoned and shall be destroyed if you fail to provide evidence of continued efforts to complete the licensing process for one (1) year. If the application is deemed abandoned the applicant shall be required to reapply for licensure and comply with the licensing requirements in effect at the time of the reapplication.
